## 管理學與管理實務 Management and Managerial Practice

**Welcome to AY 2019 Management Course**  
Yes, there are more than one department having Management course, yet ours is the **ONLY** one on campus taught in English with foreign professors while your classmates will be a mix of international and local students.

- ☉ Having theoretical and practical classes, we emphasize on learning by doing and experiential learning through case studies, simulations, group discussions and experiential learning games.
- ☉ The course is carefully designed to enable students to apply theory to practice and maximize managerial competencies through learning in groups and individually.
