Amendments to Article 2 promulgated with the consent from the President dated on March 30, 2018

Amendments to Article 2 approved and filed for reference on July 18, 2018 under the Ministry of Education's Letter No.

- Article 1 The Regulations for Early Graduation of Undergraduate Students with Excellent Academic Performance at the Daytime Division of I-Shou University (hereinafter referred to as “the Regulations”) are made pursuant to the Academic Rules of I-Shou University.
- Article 2 Students who are currently studying at one of the daytime undergraduate programs and have excellent academic performance may apply for early graduation as long as they have earned all the required credits for graduation one semester or one academic year prior to the expiry of the prescribed duration of study and satisfy all the following requirements:
1. satisfying Article 37 of the Academic Rules of I-Shou University;
 2. having studied at the University for at least five semesters;
 3. having received an average semester grade of 80 points or higher every semester;
 4. having received a conduct score of 80 points or higher every semester; or
 5. having been ranked among the top 5% in terms of the average academic grade among students of the same grade level within the department.
- Article 3 Qualified students shall submit an “Early Graduation Petition” after the final exam of the semester they plan to graduate and before the first day of school in the following semester. The application shall be submitted to the Office of Academic Affairs to review the eligibility after being approved by their departments and colleges. The Office of Academic Affairs shall then mark “Early graduation due to excellent academic performance” in the column of graduation semester of the transcript of all semesters and the remark column of the graduate list of all departments.
- Article 4 Any matter not mentioned herein shall be subject to the Academic Rules of I-Shou University.
- Article 5 The Regulations become effective on the third day of promulgation after being adopted by the University Academic Council, the University Administration Council and the University Council, ratified by the President, and reported to the Ministry of Education for future reference. The same procedure applies to any amendments to the Regulations.

Note: In the event of any disputes or misunderstanding as to the interpretation of the language or terms of the Regulations, the Chinese language version shall prevail.
