

Guidelines on Physical Education Courses at I-Shou University

Adopted at the Office Affairs Council of Student Affairs on
January 20, 2003

Adopted at the University Academic Council on March 5,
2003

Amended and adopted on March 18, 2009 at the first
meeting of the University Academic Council in the second
semester of the academic year 2008

- I. The *Guidelines on Physical Education Courses at I-Shou University* (hereinafter referred to as the “Guidelines”) is established as per the *Regulations for Physical Education at Schools of All Levels* promulgated by the Ministry of Education.
- II. According to the University regulations, students in the 2nd grade are required to take the PE course (twice a week, no credits), and students in the 3rd grade shall register the PE course (twice a week, 1 credit). The credits of PE course shall be counted in graduation credits.
- III. Students will be divided into different classes according to the course registration results. The division of required PE course in the 2nd grade and registered courses in the 3rd grade shall be conducted separately.
- IV. Students are not allowed to register two required PE courses in the same semester simultaneously. Students who fail the required PE course may register the course again in any semesters, yet they are not allowed to register passed courses again (including students who are required to make up the credits for the PE course).
- V. Students shall not be recorded as absent if they are not able to attend the sports skills test due to injuries. Such students shall attend the make-up exam, and their grades shall not be deducted.
- VI. Teachers shall conduct the class indoor or give lectures on knowledge of physical education or relevant theory if it is raining or the weather is bad.
- VII. Students who are not able to perform intense exercise due to physical conditions shall submit the certificate issued by public or teaching hospitals to the Office of Physical Education and apply for the registration of adapted physical education courses.
- VIII. Students shall wear the required sports outfits to attend the PE class.
- IX. The Guidelines become effective on the third day of promulgation upon the adoption by the University Academic Council and ratification by the President.

Note: In the event of any disputes or misunderstanding as to the interpretation of the language or terms of the Guidelines, the Chinese language version shall prevail.
